CONSULTATION: A consultation is required for a family session. Consultations are done in person at our studio (Magee & Oracle). Consultations via phone are available for clients outside of the Tucson/Marana/Oro Valley area. **SESSION DEPOSIT:** A \$150 Non-Refundable session fee is required per individual session. **ON LOCATION:** Over 50 miles from studio may require additional travel fee.
WHAT TO WEAR & BRING: Middle tones and solid colors are ideal. Have clean manicured hands (Ladies pay attention to nail polish). Casual outfits work best for outdoor portraits. Props: You may bring a pet, friend, family member, musical instrument, sports equipment, or other props to express your individuality! Things to Avoid: "Large" or "busy" patterns that detract from your face and graphic t-shirts.
